## 'CREATE A FLOWER' COMPETITION

Each child from Y2-Y6 took part in a DT/Science (country-wide challenge) to create a paper flower without using glue, tape or staples but using rolling, twisting, cutting and folding techniques.

Each class picked a winner. Well done:

Y2 Riley, Y3 Evita, Y4 Tilly, Y5 Riana H, Y6 Asya.

A flower was selected from each Key Stage to represent the school – photos of these flowers together with an explanation as to why they had been chosen were submitted to the competition.
