Schoolgateway

(see website for link)

Meal Prices are
£2.30 per day
(minimum online payment £11.50)

Thank you

Little Princess

- All children were treated to an amazing performance of The Little Princess, an anti-bullying themed show by M&M Productions and they certainly cast a spell over their audience! The storyline made us think about all the qualities that make a good friend and a good person, as well as making us think about what choices to make in difficult situations. The show was flawless – there wasn't even one mistake, it was like being at The West End!

New Heating & Water System

A new water/heating system is being installed throughout the school this term. Apologies for any inconvenience.

We appreciate your anticipated understanding

Maths Workshop

Earlier this week some Y6 pupils had the opportunity to attend an inspiring maths day. Hosted at Andrews Lane, the day included many activities all testing & challenging our problem solving skills and team work abilities. A great day was had by all – definitely a brain teaser.

Oasis out of School Club

A new after school club, based at Andrews Lane, will open in September.
(Flyer being circulated next week.)

Polite Notice for Smokers

We would kindly ask you not to smoke on or near **the bridge** by the pedestrian entrance – for health reasons pupils/parents should not be subjected to unwanted smoke. Thank you
